

# Perimeter

## Question 1

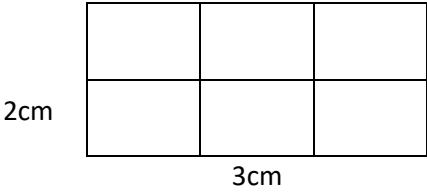

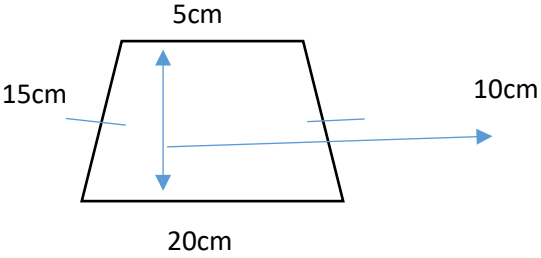

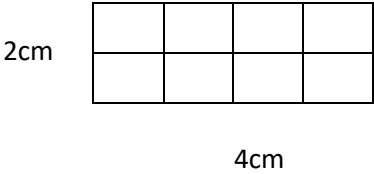

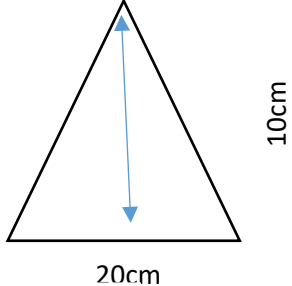

|           |    |   |    |
|-----------|----|---|----|
| <i>mm</i> | Cm | M | km |
|-----------|----|---|----|

## Skills Check

Convert the following

|              |              |              |              |              |                |
|--------------|--------------|--------------|--------------|--------------|----------------|
| 5cm _____ mm | 6mm _____ cm | 20m _____ cm | 10m _____ cm | 90m _____ km | 4009m _____ km |
|--------------|--------------|--------------|--------------|--------------|----------------|

## Questions 2

|  |   |
|--|---|
| <p>Name: _____</p>  <p>Perimeter =<br/>Area =</p> | <p>Name: _____</p>  <p>Perimeter =<br/>Area =</p> |
| <p>Name: _____</p>  <p>Perimeter =<br/>Area =</p> | <p>Name: _____</p>  <p>Area =</p>                |
